DEAR Peggy,

Thanks for another great job by Procat. Our Jrs. and Srs.  
Really enjoyed the prom this year.

For the last three years we have used Procat and we have  
been thoroughly satisfied, with all of the stress that goes along with  
"prom week" it's always a comfort for the D.J. to be here on  
time. It is also nice to work with D.J.'s that are professional  
in the way they handle students and in the way that they work  
with me as a sponsor.

I would highly recommend Procat to anyone who may be looking  
for a D.J. for their Jr./Sr. prom. I will be glad to answer any  
questions for anyone who may be considering your services, so feel  
free to use me as a reference.

Thanks again! I hope to see you again next year.

Sincerely,

*Butch Grissett*
