Theme Crafters
9140 Highway 31
Calera, AL 35040

Dear Theme Crafters:

On behalf of the Junior class of Pell City High School, I commend you and yours on the most excellent and classic Prom we have had. Once again, you have out done yourselves.

With only a few colors and a theme title, you artistically pulled it all together. Your strategic thinking took our simple ideas and made them elegant. The illuminating violet colored lights captured so delicately inside the large sleeves of iridescent material streaming down from the ceiling was spectacularly breathtaking.

Not one minuet detail was left unattended. The archway for Senior lead-out, the table tops, the arrangement of the room, and even the photographer's backdrops were just astonishing.

Thanks to you, the students danced, dined, and socialized the night away. Our prom was a great success because of you.

We highly recommend you to all those prom planners out there. No one should plan a prom without you. Thanks again.

Sincerely,

Mrs. Alisa Hollis and Mrs. Lisa Pope
